You lead me beside still waters...”*

The Garden of Remembrance Family Gardens

Within the Garden of Remembrance Memorial Park, our limited and distinct Family Gardens provide a park-like setting for loved ones next to low flowering plantings and tall grasses sprinkled throughout the section. Low slant memorial markers are used in this section so as not to distract from the beautiful gardens or interfere with the expansive view of the rolling hills of the memorial park.

Available in family groupings of up to eight loved ones between flowerbeds, spaces in the Family Gardens are \$3,400 per plot. An additional \$290 contribution per site is required for our permanent Endowed Care Trust Fund to maintain the Family Gardens section and the memorial park.

For information about the Garden of Remembrance Family Gardens or other ways to memorialize loved ones within our sacred Gan Zikaron, please contact a member of our staff at **301-428-3000** or **info@gardenofremembrance.org**.
