

## Garden of Remembrance

GAN ZIKARON MEMORIAL PARK

*“...and Abraham purchased a final resting place for his beloved, Sarah,  
which became a family resting place for our ancestors...”*

### Two New Garden of Remembrance Family Legacy Gardens Options

Within our Gan Zikaron Memorial Park, families may obtain distinct sections to group loved ones together in a final resting place. Families have an opportunity for exclusive family sections called Legacy Gardens which provide a sense of closeness, privacy and solitude.

There are two types of Family Legacy Gardens available. Legacy Gardens within existing sections surrounded by boxwoods are \$4,800 per space which includes a \$2,000 contribution to our nonprofit memorial park. An additional \$290 contribution for each burial site is required and placed in our permanent Endowed Care Trust Fund.

A limited number of new Family Legacy Gardens adjacent to our recently expanded Forest Conservation Preserve are newly available. These multi-generational Family Legacy Gardens are \$6,500 per space which includes a \$3,600 contribution to our nonprofit memorial park. An additional \$290 contribution for each burial site is required and placed in our permanent Endowed Care Trust Fund.

Family Legacy Gardens are segregated areas separated by low hedges and landscaping to accommodate four, six, or eight family burial sites. Many families purchase a central, upright granite memorial marker with the family name and individual foot markers or slant markers for the individuals resting within their Legacy Garden. Some Legacy Gardens provide space for an optional granite bench.

For information about Legacy Gardens or other ways to memorialize loved ones within our sacred Gan Zikaron, please contact a member of our Garden of Remembrance staff at 301-428-3000 or [info@gardenofremembrance.org](mailto:info@gardenofremembrance.org).
